The page header includes the eGramSwaraj logo, the text "Simplified Work based Accounting application for Panchayati Raj", and a navigation menu with options like "Themes", "Switch Unit", and "PR-UMREN-B-ADM". The main content area features a "Welcome to eGramSwaraj Portal" message, explaining that eSwaraj is an application developed as part of the Panchayat Enterprise Suite (PES) under the e-panchayat Mission Mode Project (MMP) of the Ministry of Panchayati Raj (MoPR). The message states that eSwaraj aims to bring in better transparency and strengthening the e-Governance in Panchayati Raj Institutions (PRIs) across the country through decentralized planning, progress reporting and work-based accounting. It further mentions that eSwaraj will assist in enhancing the credibility of Panchayats which would induce greater devolution of funds to PRIs as well as provide a platform for effective monitoring by higher authorities. A left sidebar contains a list of menu items: User Management, Panchayat Profile, Resource Envelope, Planning, Voucher Transactions, Period End Procedures, Progress Reporting, mActionSoft, Master Entry, and Reports.
